

Expression of Interest for proposals on questionnaire based field survey to estimate 2022 Kharif season Groundnut and Sesame crop size

Indian Oilseeds And Produce Export Promotion Council (IOPEPC) intends to engage a suitable agency to carry out the questionnaire based field survey to estimate current 2022 Kharif season Groundnut and Sesame crop size.

While the Groundnut crop survey is to be conducted in seven states of Gujarat, Rajasthan, Madhya Pradesh, Uttar Pradesh, Maharashtra, Karnataka and Andhra Pradesh, the Sesame crop survey is to be conducted in four states i.e Gujarat, Rajasthan, Madhya Pradesh and Uttar Pradesh. About 3000 farmers should be interviewed for Groundnut survey and 1000 farmers for Sesame survey based on questionnaire. The districts covering minimum 75% of acreage under crops should be covered in the survey.

While the area could be taken from Govt. sources, the yield should be obtained from farmers during the survey for arriving at the crop size.

We invite expression of interest from various agencies with prior experience of handling above mentioned activities and submit **technical and financial proposals separately** for Groundnut Survey and Sesame survey giving scope of work, Methodology, Time schedule, Data collection, Deliverable etc. The bidder should put these two sealed envelopes in a bigger envelop duly sealed and submit the same by 5.15 P.M on 30th June, 2022 to the undersigned.
